Standing Strong and Working Hard

Thank you all for your hard work and diligence during the most arduous time in American History. I believe we have never seen a more divided citizenry. We are facing the daily persecution of Christians, American values and our freedoms. God, Country, Family! Pray that our leaders, those who deny God, will soon accept Jesus Christ as their Lord and Savior. Pray for our leaders who work diligently to do the right thing, make the moral choices, that they may be given strength to fight and not succumb to the evil that surrounds them in their daily work.

Your work, your passion, your strength will change this country. I know it is difficult to balance. There are days when I just want to throw up my hands and say, "Why Bother?"!! Let's just be reminded of **WHY WE BOTHER...**

- We Bother for our Children, Husbands, Sisters, Brothers, Families
- We Bother for our Soldiers
- We Bother for our Grandchildren
- We Bother for the memory of our fallen dead so that their sacrifice will not have been in vain
- We Bother for our neighbors who should, but, do not Bother
- We even Bother for those who would stand against us, for one day they may thank us

Respectfully, **Susan Johnston**

Our guest speaker is Dr. Carolyn Ann Smith, a 2010 Candidate for the Arkansas House of Representatives District 34. She is the wife of Bishop Robert E. Smith, Sr.; Pastor, Teacher and Author. They started the Word of Outreach Christian Center in their two-car garage in 1981 with just five people.

Their ministry has flourished into a thriving outreach to families throughout the USA, Asia, Africa, Europe, Latin American and the Caribbean. In 1988 they started the Word of Outreach Christian Academy and Daycare, which as equipped many students to become "Champions for Christ".

Carolyn also is the founder of several other ministries: The Word of Outreach Family Life Development Center, Wise Women, Builders of the House, The DOMA Group, and Holistic Health Advancers. Through those ministries, she has been able to fulfill her passion of "Enhancing the Quality of Life" for men, women, children, families and communities.

She will communicate with us her vision of becoming a State Representative. You are guaranteed to be inspired, challenged and filled with jubilation through her expressed zeal, fervor and obvious love for Christ, the citizens of Arkansas and the Nation.
